January 15, 1981 - December 6, 2021

Celebration of Life service for Cory Allen Wood, 40 of Enid, will be 2:00 PM, Wednesday December 15, 2021 at Anderson-Burris Funeral Home Chapel. Cremation and arrangements are by Anderson-Burris Funeral Home & Crematory.

Cory was born January 15, 1981 in Enid to Ray and Carla (Dunbar) Wood and passed away Monday, December 6, 2021 in Enid.

Cory attended McKinley Elementary School K-6th, then he attended Chisholm Public School, graduating in 1999. Cory studied drafting at Vo-tech and at OSU Okmulgee, later he received his bachelors degree from Collins College in 3D Animation. Cory married Jennifer Johnson on July 2, 2009 in Enid where they made their home. On July 7, 2009 they gave birth to their daughter Nevaeh. Cory worked at GEFCO and later for PT Coupling as a manufacturing engineer. He loved to customize vehicles and motorcycles, he had a passion for drawing, and art in general. Cory took pride in himself and with his work, there was never a problem or project that he could not solve. In his younger years he was a member of various car clubs and was currently a member of the Hot Rod Inktober, a group of community artists.

Cory never met a stranger, making friends wherever he went. He enjoyed spending time with his friends and family. He will always be remembered for being a devoted husband and friend, but most of all he will be remembered for his devotion and love for his daughter.

Cory is survived by his wife, Jennifer; daughter Nevaeh; parents Ray and Carla Wood; his wife's parents Ed and Bonnie Johnson; and several aunts, uncles and cousins.

He was preceded in death by his grandparents Jim and Louise Wood, Harry and Meta Dunbar, cousins Jamie Dunbar, Tre Bradford, Sara Callis, and Jacob Callis.

“ Cory will be missed greatly by everyone. For myself, he was instrumental in beginning my love and admiration for the pit bull breed. He was a great friend of my son and used to bring his dog Titan to our house. God bless you, Cory. RIP.

“ I cannot imagine the depth of the sorrow being felt by you who knew Cory best. I only know my own. Please forgive me if I stand nearby silenced by his loss as I do not have the words to say anything that will help and comfort you with your sorrow and grief. I can only rest in the knowledge God will help and guide us every day.

I walk almost every day. Yesterday I saw the most vivid and colorful sunset I have seen in a very long time. It made me smile. Knowing only some of Cory's talent and artistic ability, I said out loud, Cory did you help in its creation. I truly felt and believed he did.

Cory, you are missed already.

“ Cory was truly 1 of the greatest guys around. I always enjoyed talking to him. The world lost a darn good man. Never met a nicer, more humble guy.

“ Cory, I was only able to know you from May 2020 until now, which is saddening. You were welcoming to a new Co-Worker, and accepted without question. You were also the same person to all (genuine) regardless of who anyone was or what they did. One gift you have given to your entire family, friends, and acquaintances (aside from knowing you) is found within your creative artistry. It was obviously your passion to create so many original works in a variety of formats, on a multitude of subjects. Those created images/works will endure forever, and that is a gift for everyone to always cherish and remember you by, as reflected through what was created. My thoughts and prayers are with your entire family!

“ Cory was one of my sweetest McKinley students! He was a kind and gentle boy that worked hard at school. I remember that he was well liked and wanted to do well. He was creative and engaged. I am so very sorry for the loss of Cory. My deepest condolences.

“ There are a lifetime of memories I could talk about. One in particular was at the lake! Gosh, as kids I remember spending so many summers at the lake, all us cousins having so much fun. This time though, we were sitting around the fire and I was telling you about a tattoo I wanted to get and what it would look like. You said, oh, that's easy and drew exactly what I wanted in like 5 minutes! It was a pin up frog! Water, lily pad, to the frog. She was beautiful!! I will never forget! You were such an amazing cousin, friend, husband and father! I will miss you forever!

“ Cory,
Your Mom and I are so proud to have had our time with you. You never let us down. You brought joy to every room you ever entered. You grew into a responsible adult, a wonderful Husband, and most of all an outstanding Dad to a beautiful and talented daughter.
The memories we have of you will last a life time. What came from your mind to your hand was beyond anyone's belief.
Mom and I will never ever go a day without you in our thoughts and Prayers.
WE LOVE YOU SO SO MUCH SON,
DAD 12/6/2021 11:10am.
