“ So sorry we can not make it to Icy's service. Am recovering from a fall and cannot risk getting out on the ice. She was so blessed with such a loving, caring daughter and family. You have been and will continue to be in my prayers. Linda and Larry Zander

“ Mother thought so much of Icy. She talked about times when they were little girls. Icy was was such a sweet, sweet lady!

“ Icy and Gordon started out as friends with my Aunt and Uncle, but became a part of the Laubhan family pretty quickly. They were an honorary Aunt and Uncle. We enjoyed many fun times with both of them. When she moved to Idaho she would call to check on me quite often. I will truly miss her and am sad that I am unable to attend the visitation or service as I would like to visit with the family. From all of the Laubhan family you are in our thoughts and prayers.

Years later we lived near each other and I spent with her on her new computer.. Both Icy and Gordon are missed. This is the same gal who WAS IN HER JAMMIES on her driveway in the am!
