LaDora Dell Hoover McFadden: Born January 16th, 1931 Died June 5th, 2019

LaDora Dell Hoover McFadden was born to William Earl Hoover and Barbara Amanda Hattie Winn Hoover in Shawnee Oklahoma on January 16th, 1931. She was one of 5 children.

In LaDora's own words she wrote: "I was married to Dennis Euil McFadden on May 20th, 1950 and was married for 67 years. I gave birth to 6 children: Dennise Dell, Danny Earl, Spring Marie, Patricia Bernice Mary Maxine and Carol Irene. I had 12 grandchildren, 32 great grandchildren, and 2 great great grandchildren. "My eulogy is no eulogy. Please do not expound my history. My loved ones know my achievements. Or, if not, then my deeds are unimportant. Do not name my ancestors nor decedents. Those who have gone before do not care. Those who are here now know who they are. Please laugh, feel joy, remember my craziness and eat abundantly. It is enough to say, 'She loved her God, she loved her husband, she loved her children, her sisters and her friends. She also loved roses, sunny skies, and cool breezes'."

LaDora passed away with her children at her bedside. She is survived by her children Dennise McFadden Lawson of Gainesville, MO., Danny Earl McFadden of Enid, Spring McFadden Hendrix of Dietrich, Idaho, Patricia McFadden Wright of Gainesville, MO., Mary McFadden Trammell of the home, and Carol McFadden Roberts of Enid.

Arrangements are coordinated through Anderson Burriss Funeral Home in Enid. Feel free to express your condolences there.

"At my request I will be cremated and there will be no funeral services. Please send no flowers or donations."

"He who knew no sin came before us that we, through Him might become the righteousness of God'. II Corinthians 5.21"

Our mother marched to a different drummer. She wrote her own epitaph

“The ride has just begun.”

“ I was very saddened to hear of LaDora's death. We had something in common that made us good friends. We each had 6 children! Our kids were of comparable ages and were good playmates together. We lived only about a block and a half apart (if you cut through the alley), and spent many afternoons, evenings, and even mornings together.

We also visited a lot by phone when the children were napping, in school, etc. We went to church together with 12 kids in the car! Can you imagine. One time I let LaDora and her kids out of my car when I took her home, and then discovered that I had left one of my own children at the church nursery! Of course I went back to get her (Nancy) and the lady told me that she knew I would be back as fast as I could get there. I have many memories that will stay with me until it's my turn to go. Rest in peace, my friend.

“ Ladora was an adventurous woman that I was able to get to know through backpacking in New Mexico, Colorado and Wichita Mountains. Ladora introduced me to one of her favorite places in Colorado that later became a favorite of my husband and I. She had the true spirit of adventure and I value the memories I have of our trips.
