“ Though we live half way across the country from each other, I will never forget the times we had together when we lived Tulsa, the times we came back to visit, and the times we met at Harris Ranch. I miss those times but I am grateful for the memories.

I remember when Aunt Margie came and got us to come stay with all of you in Sand Springs. I think we were just there for the night. My dad had to have an emergency appendectomy and we needed someone to watch us. I remember going to the store and Uncle Bill was working and we got to pick out a toy to take back to the house and play with. I also remember visits to your house in Enid, going to the salt flat lake, seeing all the KFC's and lots of other good memories of times we shared meeting at Harris Ranch.

I am happy to have connected with Becky on Facebook and hope I can connect with everyone.

I know Aunt Margie lived a long and full life and she was blessed to have all of you. It is hard to say goodbye. I am sorry for your loss and hope you will have the best of memories to sustain you.

I also want to share a few memories that our son Spencer has of Aunt Margie. He posted them on Facebook and included his favorite quotes. I won't share all the quotes, just the message he posted.

Spencer's Facebook post from October 8, 2018

"With great sadness my great-aunt Margie has died. I met her several times even though I really only recall meeting her once as a teen the other times I was a baby and very young. Please send prayers and good thoughts to my grandpa and his family. She leaves behind a sister and her brother and three kids."

"Finally I will never forget meeting her and her family. She was a wonderful person and has a great family and was full of joy and happiness and her brother who is of course is my Grandpa is a fantastic and loving and caring person as well who I am happy to call him Grandpa. Sending good thoughts and prayers to you and your family in this hard time."

Our thoughts and prayers are with you at this time.

Love, Kim

P.S. I can still hear your mom's voice calling me Kimmy!

“ I'm so sorry Becky, i always felt like she was Family to me too. My goodness all the times she would stay with Trevor and Take care of Gypsey and pick and drop the kids off at the water park and the movies and I remember she would come by The Flamingo and pick up her friend that liked to play pool and all our Christmas Eves together and our Vegas Trips! So many more memories. She was such a nice lady and so much fun too! We will miss you Margie

“ My first memories of Margie were at the Bunch Grocery store and family home on South Quanah. She was the most beautiful and kindest woman I had ever seen. From 4 years old till now I have adored Margie. To me, Margie is "perfection". While, I send my condolences to the entire family, I know every passing day, she will be present within you. Rest in Eternal Peace, Margie.

Your Forever Admirer
