“ That first year, when York College reopened under churches of Christ, it didn't take long for Gene and Grace to find each other. I can still see them holding hands (which was unapproved behavior at the time) as they walked across campus. They were really smitten with each other and we all knew marriage was in their future. Their lives have been testimonies of service because of their relationship with Christ and their love for others. Grace was a beauty - inside and out. We will miss her as we have missed Gene. May God's nearness be palpable as you absorb this loss. Much love to the Goben family. Dottie Schulz

“ Gene and Grace were a wonderful gift to Yellowstone Bible Camp especially as they added so much over the years to the Camp's annual auction. They lived their lives in quiet service and brought glory to our Father throughout the west. They have heard their Master's gentle welcome, "Come in...your room is ready."

“ Roy and I went to York College with Gene and Grace. They were always very special people to us, even though we only got to see them one time since we left York. I stayed in touch with Grace a lot through e-mails that we shared, in recent times. We are so very shocked and saddened to learn of her death. May God bless all of her family in the days to come. I will surely miss our letters back and forth too. Roy and Muriel Gulley

“ Bryce and I also remember Grace and Gene at York College. They were definitely a Christian couple in love. Gene was a bubbly, happy person and giggled a lot. Grace was just happy being with Gene. We have many happy thoughts of them and it will be a joy to be with them again in heaven.

“ Kathy & Randy plus the rest of the Goben Family...

I was sadden to hear of the pasting of Grace. She was such a joy to spend time with. I didn't know her well, but she always made me feel as though we had been friends forever. She was such a sweet lady. I know she will be deeply missed by all who knew her. Be at peace to know she is now in the arms of our heavenly father and with Gene once again to rejoice. So sorry I won't be able to make the service, but know that my heart is with you as you lay her to rest. Hugs, blessings and love...
