“ Uncle Magoo...Oh how I'm going to miss u so much! I had a feeling something was wrong, You had been heavy on my heart lately, and I hadn't heard from u and that's not like u.. Uncle Magoo was the sweetest, craziest buck wild person I've ever known, when we 1st met I knew automatically that he was a genuine rare Gem stone, which I will add he loved his treasures his special Gems. Magoo always had a way to make me laugh and smile no matter what mood I was in, I loved it when he would show up out of the blue and say c'mon darlin let's go for a ride get some wind therapy amd off we went. Magoo had a heart of Gold and and a spirit that was out of this world. Magoo I want u kno that I love u always and u will never be forgotten, You made the biggest impact on my life, and my kids lives too! I'm so blessed to have met u and even more blessed that u were not only my closest friend but family too.. Your Loyalty and compassion u had and gave words cant even describe. “ I am so sorry for your loss. I went to Enid High School with him and he graduated with us in 1971. As one of the coordinators of the class, he was on our missing list and I have been looking for him for 20 plus years. So sad that I didn't find him so we could get to know him. God Bless you!
