“ Tim was my cousin and we often spent time together in our youth. I have just recently discovered that there was a memorial for him. If you have a phone number, I can text a nice photo I found of him and his mother when he as about 2 years old. I also have a photo of the family with him in the foreground and my arm is around him. My mother, Ruth Wesley Mayer(deceased) was Tim's aunt. My brother, Phil Mayer, and I are planning to send some flowers but do not know if they should go to the funeral home now or not since the memorial is over today. Please let me know as Phil and I would like to send our condolences or what ever may be appropriate. You can get my phone number and email address from Bill Heydman. Phil and I are so sorry to learn of Tim's death and are thinking of all of you at this difficult time. Susan Mayer
