“ I'll always remember him and the coffee drinkers at the Tia Juana telling stories and solving the world's problems. I sure looked up to those men and am grateful for the memories. I'll be praying for your family during this difficult time.

“ Duane. Always took good care of me when I worked for him at the firehouse. I think about him every now and then. Always was a good memory. I think he was a marine. He had those popeye forearms.

“ My favorite memory of Uncle Duane was when he met and fell in love with my best friend Misty's Mama. I felt like my world was coming together! My best friend and her Mama would now officially be family! I have so many more memories after that of being at Misty's house and visiting with Uncle Duane. His quiet nature and dry humor will be missed. He was one of the good ones. I will love you forever, Uncle. Hug my Mama and Daddy for me. 🥹
