“ I am so sorry to hear about Barbara's passing. I have been visiting her at The Commons for over a year...until the Covid hit, but we were in touch by phone a few times. I am a volunteer at The Commons and at Hospice Circle of Love and would stop by at least once a week to see her. She was so entertaining and cute and I loved the stories she shared about her life. This picture is beautiful and it shows what a lovely lady she was before her illness hit! She always liked to look nice, even in bed, and wore some of the prettiest shiny gowns. I know that she is in a better place now but I know that she will be missed by her loving family and friends. My thoughts and prayers are with you all!!! Sincerely, Cathy Wiles
