“ We are so saddened to hear of your loss. There are many happy memories we have shared with your family, both at a younger age, and into adulthood. We have always felt that love and friendship connection between all of you. Auntie Barge had a way of making you feel comfortable, loved, and welcomed in any situation. She was a very special Godly woman that warmed you with her smile. It's the love of God that makes grief bearable, and the gift of memories that guide you during this time of sadness. Take comfort that one day we will be reunited. May God hold you in His loving hands, and Angels walk with you today and always. You are in our thoughts, our hearts, and our prayers. Katie and Greg Arnold (Mildred's daughter)
