“ I'm just now posting but I miss my sweet friend Barbara. She was always kind, compassionate, giving and caring. I miss talking to her on the phone. I know she's doing much better now. She never complained about her sickness. I miss her laugh. She's up there with Paul, her great love of her life. I look forward to seeing her again in heaven.

“ Barbara has been a dear friend for my husband and I for many years. She was always so kind and I'll miss her so much. I can't wait to get to see her in heaven again. No more pain, sorrow, sickness. Barbara was an example of what everyone should be like, unselfish, kind, and a true friend. She will be well remembered. Love you my friend.

“ *Barbara was my best friend from fifth grade when her family moved to Dyess and she started school there. Not long before our senior year her mom died and she and her little sister, Geneva moved to California to live with their brother and sister in law. I have missed her since then. She wrote letters faithfully for years and the friendship never faded. I can't think of anyone I know who comes close to having a heart as tender as she has. I certainly look forward to her greeting me when I follow and reach heaven. I will pray for comforting and the blessings of sweet memories for all her loved ones.*
