“ Barb was a very special lady. She was never afraid to tell you what she “really thought” she had a such a good sense of humor and shared her quick wit those around her. She had a love of dogs and they liked her. I will miss her greatly!

“ Barb and Danny were inseparable, growing up we saw them almost every day. They were two of my biggest influences, Danny was the crazy one and Barb was the sensible one, very grounded, focused , she was a no nonsense kind of gal. In the later years she loved to go to the casino with my mom, they had good times together.

Barb was always a straight shooter, had a ready smile, and was always kind and respectful to all she met.
She and Danny were both great people, and both were kind , positive, and a joy to be around.
They both will be greatly missed, by all that were fortunate to know these two very fine people.
Happy journey, my dear friend.

“ I have known Barbara and Danny for many years. They were two of the nicest people. So devoted to each other.
My sister Pat Traynor and Barbara were best friends. Even though Pat lives in California they kept in touch.
Their son Roland took such wonderful care of Barbara after Danny died.
RIP sweet lady.

“ Barb was a role model to me all my life. She was so much fun to be with - always happy and uplifting. She made me feel good about myself no matter what was going on in my life. I went on many trips with her and Danny when I was a teenager and thought she was the coolest aunt anyone could have. she took me on a lot of adventures. Barb loved all her family and friends and was dedicated and loyal to each one. I could always go to her for advise and she could always see the light no matter how bad things got for her or others. I love you Barb and so happy you are with the Lord and reunited with many loved ones. Love Cheryl

“ I am so sorry. My prayers are with all of you. I got to know Barbara and Danny throughout the years when I would clean their teeth every 6 months. I would always look forward to their appointments! Of course we did more laughing than cleaning I think! I miss both of them, but will always have those fun memories! Sincerely, Rhonda Griffith 🙏
