

Betsy Ann Hormel

April 8, 1971 - September 5, 2024

As was her way, Betsy wrote her own goodbye. In her words, she was not bossy...just aggressively helpful and it needed to be done right.

Betsy Ann (Settle) Hormel, passed away peacefully at her home in Indianola, Oklahoma September 5, 2024, surrounded by family. She was born in Alva, Oklahoma April 8, 1971 and was 53 years old.

After years of fighting, she has finally won her battle against Invasive Ductal Carcinoma aka breast cancer, and now sits at the feet of Jesus! She was blessed to live her final years in a farmhouse in Indianola with her best friend and devoted husband, Troy, and children, Hailey and Zachry Doyle, and the precious light of my world, Luke Hendrix. She leaves on earth mom, Carol (White) Settle, brothers Larry Settle and wife Debbie, Troy Settle and wife Tessa, and my best friend and big sister, Becky Guffy and husband Jonny. Sisters in love: Tina Youngblood, Tracy Hormel, Terri Peterson, and Debbie (Clark) Settle. Nieces, nephews, great-nieces, great-nephews and even a great-great niece and a great-great nephew. She is joining both maternal and paternal grandparents, in-laws, Frank and Judie Hormel, dad, Carl Settle and two brothers, Daniel Dean and Paul Ray Settle.

Her home will always be in Northwest Oklahoma, where she graduated with the Carmen-Dacoma class of 1989, and in 1993 from Northwestern Oklahoma

State University. Many lifelong friends came from 29 years of employment with the Oklahoma Department of Corrections. A job she truly loved. (Thank you DOC Divas, for the priceless memories). She was fortunate enough to retire in 2022.

Life is precious. Don't wait to go to that place you've always wanted to go. Do that thing for someone that you can never repay you. Buy the records or the Snoopy that brings you joy! Maybe even open it and play with them. Be silly, be weird, do things that don't make sense and laugh! You can never be too kind, or too forgiving, and math does not apply to chickens or memories.

To all my friends and family, thank you. I hope to see you again! If you ever get a chance to talk to my grandson Luke, please tell him how much his Nana loved him.

With all my love,
BeTs

“ Betsy and our Tina were joined at the hip all through school. What a joy Betsy was to our family. Those two girls were so silly and so beautiful together. I lost count of how many sleepovers they had. They even insisted on vacations together. Our boys just felt they had another sister. A bright ray of sunshine has gone on ahead. She blessed and enriched our lives more than words can ever express. Betsy, say hi to Tina when you arrive, I know she'll have cookies out waiting. Butch and Cindy Percival

When I listen to my Vinyl records, watch *The Great Pumpkin*, or simply see your beautiful image, I promise to only smile. To your beautiful daughter, Hailey: What a gift we all have- to see her light in you and your precious son. My deepest sympathies to her amazing family. “ My sincerest condolences to your family, Betsy. You were always the kindest, sincerest, helpful person I have ever know. You would ALWAYS make time to help someone even when you were buried in work yourself! You smile was contagious and your spirit gave life to others! I will miss you more than you can imagine, but Jesus has a special place for you with His arms around you tightly! You fought the good fight and you finished your race, now you are in Gods heaven smiling and singing with the heavenly choir of angels. Until we meet again Love

“ I'm so very sorry for your loss. I think she was amazing too. I hadn't seen Betsy for many years, but every August for the past 24 years, I told my students of my friend. One summer when we were kids, I sooooo wanted to be able to put my fingers in my mouth & whistle LOUD! It took me all one summer and lots of spit to get this down. I think of her everytime I whistle loudly. It comes in very handy when forgetting your whistle at recess duty or you just need their attention when (1,2,3 look at me 🙄 is ignored). ❤️
