“ Heaven has another member of the choir. Betty's piano playing and the family's singing are some of my best childhood memories. Her witness for Jesus and love for her husband and children have been inspirations as I've lived my life. I remember as a teenager driving up behind an old pickup on Highway 132 and seeing two 'old people' sitting close together just like teenagers dating! Then when I passed the pickup realized it was Betty and William! That's the first time I realized teenagers didn't have a monopoly on 'spooning'. Prayers and love to you all at this time,
