“ Betty and Dick were always so welcoming to me when I used to drive long miles to see Ann. They fed me, made me laugh, and Dick even built me a jewelry box. They would also loan me \$10 to buy gas to get home!!! I remember Betty also as a spitfire personality-- so strong, especially during that one time on the farm that precipitated her move to "that Okie state". My thoughts are with all the ladies of the family ,and Darrell and of course ANN. Blessings.

“ When my sister's, brother and I were growing up in Higgins, TX, Aunt Betty, Uncle Dick and Ann would come to town often to visit my family. While we kids ran around our small house playing and laughing, the adults tried to hold a conversation. Aunt Betty and Uncle Dick continued their visits even after my parents moved to Shattuck. I will always remember Aunt Betty as a country girl with a pretty smile and laugh. Rest in Peace.
