“ My sympathies go out to Jo's family today. I have fond memories of her from Redeemer. She always had a smile (even though I know she was often suffering). I will remember her as a beautiful, caring person. My thoughts and prayers are with all of the family, especially her sister, Zada, Tracey and her family. God be with you all.

“ I worked with Jo at Newman's. She was always very gracious, the epitome of a lady.
