“ Betty was a very good friend to me for over 40 years. We worked together and she was always full of ideas of how to do things a bit better. She had a wonderful sense of humor and would use it to calm things down when it got hectic. I will miss her Christian attitude towards all the people she met through our work. She was a shining example of a "soft and gentle" spirit.

*I shall miss my friend, until we meet again in Heaven.*
