“ Beverly was so very nice and the best all around person. She care for everyone needs before her own. Just like this picture she always look like this - the very best - I mean perfect hair, makeup, dress, jewelry she could be the sales lady at Niemen Marcus high end dress department. In the fifty years I knew her she was like this. I (we) will miss her so much. The world needs more people like her. May you Rest in peace Beverly....
