“ Bill was such a gracious man. His smile lite a room up. Oh boy was his laughter contagious!! He was a strong Christian man and father! He and Bernice shared their youngest daughter Amanda with our family and she is very much like a beautiful second daughter to our family and a wonderful friend to our daughter Kim! Bill truly was one of the good guys and the love of his family shown bright in his heart! Rest easy friend! Bob will look you up when you arrive! You will be truly missed.

“ I remember Bill when he found his love for auctions. He would buy lots of this and that's and I'm sure Bernice had too give him that stern "BILL" a time or two. The best part of going to auctions with Bill was his love of food. I remember juicy burgers in Aline and cinnamon rolls at the Meno cafe. There was never a dull moment with ole Bill.
