“ *Blaine,
You were one of the coolest and most calm, cool, and collect people I've known.
You always had the smile and chill personality that was magnetic to all. A great

“ *Blaine,
I have so many fond memories of you, from the time you showed up at our house
in Cortez with your mom, dad, and Chad all decked out in your cowboy hats and
stick horses to the time you stayed with us prior to your Fort Lewis College
adventure. You were one of the kindest, nicest, easy to get along relatives I knew.
I truly enjoyed our conversations and time spent together and until we meet
again, will sincerely miss you.
Goodbye and God bless you dear nephew!
Love, Uncle Neal*

“ *My sweet and kind cousin, Blaine. The news of your passing has saddened me
beyond belief. You will be so missed here on this earth. I truly loved seeing you
and catching up with you at family events. You and I always caught on to one
another's jokes and laughed, even when inappropriate.*

*When I was young, I clearly remember thinking you were the most handsome,
coolest cousin in the world! You were always so fun and jovial with me and with
my siblings.*

*I will truly miss you! You now get to be with your mom and with God. I cannot wait
to hug you in heaven.*

*Love,
Your cousin Elise*

“ I remember the first time I really got to hang out with my cool, funny, handsome cousin Blaine. I thought he was the cat’s meow! We were coming back from some event in Durango, and I got to ride in his bright red Jeep with the windows down and the music blaring. I thought to myself, how lucky am I to have a cousin this awesome? I still think that and hold a special place in my heart for Blaine, who I looked up to and adore. Now, I get to look up into Heaven and say a prayer to Blaine any time I want. He’s still cat’s meow! I love you cousin, always will.

“ Blaine - I can't believe you are gone. I'll always remember how much fun we had together. (Especially in your Jeep! And later skiing with you in Durango.) I always looked up to you when I was younger, and appreciated our time together as adults. I will very much miss seeing you at family get-togethers.

I hope your at peace now,

Caleb
