“ *Brad was a man of integrity and compassion. He had strong values and beliefs. I knew Brad outside of theatre as friends for over 15 years. Brad helped me at a difficult time in my life and well that was Brad. We talked about doing a theatrical endeavor together but we never got that chance before California came calling. May you take that theatrical stage in heaven and shine!!! You will always be in my heart my dear friend. Gone way to soon!!!!*

“ *You played my husband twice and that was no mistake. We had really good chemistry. So many backstage jokes and whispers, and he picked me up during a really hard time for me. We both drifted away from the Midwest, but you are always in my heart.*
