“ Oh Brian, we weren't around each other very often but when we were you could be sure there would be much laughter! The United Methodist Mission Trip we both were a part of holds some wonderful memories! I'll never forget your facial expression after taking the first bite of gator! Absolutely priceless! You are and will be missed dear friend! Liz, I've been praying for you and the family for peace, strength, and comfort during this time. Love you.
