“ Did Bruce live in Commerce City? If so, his estate has \$92 that is held by the State of CO.  
This is from his cousin, Alvin. I realize this post is not proper, but I do not know how to contact his family.  
Thank you for understanding.

The last time I saw Bruce was in 1960 just before I moved to Oklahoma. (He was my favorite skating partner when we were teens and I lived in Denver.) I just found him today and had the pleasure of watching, and listening to this lovely tribute given by two of his precious children. I am 81 years old and have never forgotten his sweet personality, his manners, his kindness and his handsome face! God bless you all. ❤️
