“ With a heavy heart and many sympathies to the family. Miles and years between us but forever bonded by blood. Rest in peace cousin Bryon, with the loving arms of family in heaven greeting you! To the family, may the love for one another help you through this difficult tragedy. Taken too soon, believe though in the love he is receiving by family gone before him!

*With our deepest condolences,*

*My heart aches beyond words. These boys, David, Bryon, and Craig were my little brothers their first years of their lives. I have always felt a close bond to them even with the miles separating us. Now with one gone, the hurt and lose is deep. Rest in God's and the many family to have greeted you. We will all be reunited one day soon. LaDonna, I so understand the lose of your husband. There will be long lonely days and nights, rely on Christ to take that pain. Love each of you in your loss, gather round and embrace each other.*
