Proverbs describes a “Virtuous” woman and that is exactly who Carrol Anderson is and will be forever remember. Who can find a virtuous wife? For her worth is far above rubies. The heart of her husband safely trusts her; So he will have no lack of gain. She does him good and not evil All the days of her life. She girds herself with strength, And strengthens her arms. She extends her hand to the poor, Yes, she reaches out her hands to the needy. Strength and honor are her clothing; She shall rejoice in time to come. She opens her mouth with wisdom, And on her tongue is the law of kindness. She watches over the ways of her household, and does not eat the bread of idleness. Her children rise up and call her blessed; Her husband also, and he praises her: “Many daughters have done well, But you excel them all. Charm is deceitful and beauty is passing, But a woman who fears the Lord, she shall be praised. Give her of the fruit of her hands, And let her own works praise her in the gates.
