“ Oh, Charlie aka Fishface; what a very special man to our family. We loved our visits. Jay would tell him I had made cookies and Charlie would stop by on his way home, just for a cookie. Loved and miss those times. Our deepest sympathy to his family. He was definitely one of the good guys!

“ Uncle Charlie was one of the best. Loved it when our mother Helen would load her 8 children up and down to Texas we went. Him and Aunt Nancy were the best.. Would stay the weekend and have the times of our lives. Then would make his occasional stops by to see us on his way home from work in Kingfisher. You will be missed by alot of folks. Loved you lots. RIP Uncle Charlie...
