I would have loved to have your chicken fried steak...Im sure it was really good. Thank you for taking care of and loving my uncle. You did good with the boys and now they will remember all the good times they had with you. Glad you got to meet Oliva. Rip

“ *I was saddened to hear of Cheryl's passing. I was one of several people who helped Cheryl obtain an apprenticeship, and a subsequent position with the Oklahoma DHS. She became a colleague and served the agency with honor for many years. Cheryl was always kind and good humored; this in spite of some tragic losses in her family. I am the richer for sharing part of her life. She will be missed. Godspeed on your next adventure Cheryl! Greg LeRoy*
