

Christy May Druse

August 18, 1970 - September 28, 2020

Christy May Druse, 50, born August 18, 1970 passed September 28, 2020. Christy was born on the White Mountain Apache Indian Reservation in Whiteriver, Arizona to Henry and Bessie White. Her birth name was Merle Ann White. Christy was born with a host of medical issues and as a result was brought off the reservation and placed in the foster care of Thomas and Claudette Druse. The Druse family immediately fell in love with her and as a result filed a petition to adopt her. It is a very rare instance for a family not belonging to the tribe to be able to adopt, however with the help of many professional people, the love of the Druse family and the Grace of God, we were blessed by the White family and the White Mountain Apache Tribe with the adoption. And so Merle Ann White became Christy May Druse. Christy grew up as an Army brat long with her two older brothers Tom and Richard. They moved from Arizona to San Antonio, Texas. Upon Thomas's retirement from the Army in 1977, they moved to Enid, Oklahoma. Christy attended school in Enid and Kremlin, Oklahoma, graduating from Kremlin High School. She took a course at OT Autry Vo-Tech in culinary and worked in the food service industry ending up at Northern Oklahoma College Enid Campus Cafeteria. Christy loved the outdoors and spent many days fishing with her family especially with her dad in their secret spots. Christy loved rock music especially the band Kiss and as a result went to many concerts to include four Kiss concerts with her brother Tom. Christy enjoyed going to the casinos with her family and just overall enjoyed life even towards the end as the medical

issues slowed her down. She enjoyed many trips to Arizona to visit her Apache family, most recently with her boyfriend and companion Greg Nusz.

Christy is survived by her father Thomas Lee Druse of Enid; four brothers, Thomas Ray Druse, Richard Lee Druse, both of Enid, Paul White Israel, and Vernard White, both of Whiteriver, AZ; four sisters, Lucivia Colelay, Annabell Riley, Jeanette White and Carol White, all of Whiteriver, AZ; many nieces, nephews and even more great nieces and nephews; boyfriend and companion, Greg Nusz.

Christy was preceded in death by her mother, Claudette Kay Druse; birthparents, Henry and Bessie White and her sister Rosita Riely.

Services will be at a later date in Marion, Kansas. In lieu of flowers, please donate to Hospice Circle of Love, Enid, Oklahoma.
