“ My dear uncle worked so hard for many years to bring me and my dad back together. Well it has happened now and I only wish my sweet uncle could be here to see it. I love that man so much. He was a true angel. I love my dad, always have and always will. I wish we could all be together Uncle Tom. Unfortunately we cannot but I will always love and remember you for how much you tried.

“ Prayers Susan. Tom was a wonderful man and a great clown. I'm also diabetic and was on a new medicine. While at a parade with the clowns I just got diagnosed and it made my blood sugar drop to a dangerous level and Tom was the only one who knew what to do. I believe he saved my life. God Bless!
