

Connor Levi Schomber

May 12, 1992 - July 27, 2018

Celebration of life for Connor Levi Schomber, 26, will be 2:30 pm Saturday, August 11, 2018, at the Faith Center Fellowship, Meno, Oklahoma, with Pastor Cody Anderson officiating. Full military rites will be conducted by the United States Marine Corps. Cremation will follow the service, with arrangements by Anderson-Burriss Funeral Home and Crematory. Visitation for family and friends will be Friday evening from 6:00 to 7:00 at the funeral home.

Connor was born May 12, 1992 in Enid to David and Julie Brakhage Schomber. After graduation he joined the Marines which took him to all corners of the world. He finished his service on December 7, 2017, as a Marine security guard for overseas embassy's. After some time off, he was hired by Cactus Drilling Co. as a top drive tech. He reenlisted into the reserves as a counter mortar/radar tech. Connor passed away on July 27, 2018, at Camp Pendleton, California.

Connor graduated from Ringwood High School and soon after joined the United States Marine Corp in 2011.

He had a passion for hunting, scuba diving, surfing, bungee jumping, trapping, drone flying, photography, working out and was an avid lover of Chick-fil-A sauce. He was always trying to out do his brothers, in shooting, bow hunting, or anything they did together. Connor was the life of the party, and known for

playing pranks on others. He loved to ride his Ducati, and was proud of his lifted truck.

In addition to his parents, Connor is survived by two brothers, Zach and Trevor; his maternal grandfather Gerald Brakhage; his paternal grandmother Christine Schomber; and many other extended family members.

He was preceded by his maternal grandmother Rosella Brakhage, and paternal grandfather Bob Schomber, uncle Gentry Brakhage, and cousin Brok Griffin.

Memorials may be made through Anderson-Burris Funeral Home to Wounded Warrior Project, or the Marine K-9 Unit.

“ I think of Connor often, he was hands down, one of my favorite people on this planet. My cheeks would literally ache because I would laugh and smile so much after talking and hanging out with him. I miss him so much, miss our random FaceTime calls and his “Hey Darlin” texts. He was an amazing person and had the kindest heart. I miss him so much, even now.

“ Connor lived his life to the fullest!! I'm amazed at all he accomplished. I will never forget when he arrived in Ringwood from his last tour of duty. He seen me at the co-op and gave me the biggest hug! He told me he drove all night and just arrived back in town. I will always cherish that moment.

My heart goes out to the family. I pray that God will carry you through this time. May the peace of God that surpasses all understanding guard your heart and mind in Christ Jesus.

“ *The memory I have to share is how Connor always made me feel that he appreciated how I felt about him... he knew that he always made my heart Happy. I always loved when I would see him walking up the driveway with that grin and me running to give him a hug and me saying I'm so glad you came to visit, he would always say, well then why don't you ever believe me, I always told you I would come and see you when I'm back!!... And, he always did,... I would always give him a huge bear hug when he arrived, there was always a joke about onions,! He always knew I love to eat onions, and he would say LOL okay sissy have you eaten onions!, sometimes I had onion breath and he would laugh! LOL! And he would say just keep your head down LOL. We always called it the onion joke! He always made me feel so important in his life he was very special to me and Craig. I was always so happy to see his beautiful face and to always feel his hard hugs LOL*

“ I’ve denied loving you, because you moved away, I was scared of distance. You made me try to get closer to you and now that I did you’re gone? I love you in every way possible.
You made all my days happy. I’d do anything to hear your voice again. I love you baby, sleep on. I’m sorry I wasn’t there as I should’ve been. You are the definition of an amazing hardworking gem of a man ❤️ Sleep on baby

“ David, Julie, Zach and Trevor. We've been with you in spirit all week. Like you, heart broken by the news. We know God will be with you during these next days as I'm sure they'll be tough. I pray that you'll find smiles, comfort and tears in your memories. A million words from any of us could never describe the love we feel for all of you. A million memories only begins to recall the journey we've experienced with you. A million tears... won't be enough to ease the pain. I know this because I cried, tried and resigned... trying to find ways in the past. As these next days pass, please know that we there with you and here if you need us. Remembering you all during this difficult time. All of our Love, Adriana & Tim
