“ Dear Jim and LaDonna,  
Your Mother was such a treasure to all of us. I always enjoyed visiting with her and truly appreciate the family keepsakes she gave to me. Your sorrow is shared by all of us. Remember that your Mother left a piece of herself with each of you. She has left you with many cherished memories and the knowledge of her everlasting love for you. You are in my thoughts and I wish you all the possible comfort during this difficult time.

Best Wishes,  
Jackie Francis

Dear Jim and LaDonna,  
Your mum was an amazing lady. The letters she sent us down here in Australia every month were so full of news and history. She helped Cary to learn so much about his family and his father. We will miss her letters and phone calls and our occasional visits.

We are thinking of you at this sad time.

Best Wishes,  
Cary and Christy Hemphill
