“ I worked with Dan for around 35 years at Waldon. Dan was good workmate. But, most of all Dan and I spent many hours talking about how good God was and been to Dan in his life. So glad he is up in heaven enjoying the streets of gold with no more pain and sorrow . For the family, especially Dot, I know you are rejoicing knowing you will be with him some day. I am celebrating the life he lived for his Lord and Savior Jesus Christ.
