“ Mark and family members---  
We were so taken back when we heard of Danette's death. Please accept our sincere condolences.  
Had always hoped we would see you two sometime/somewhere as it was far too many years since we were together. You and Danette were married one week after us so you were together 56+ years....and you got the better deal Mark! Will always remember those sparkling eyes and big toothy smile Danette shared with us and all she knew. Stay strong Mark....Paul and Connie Woodson; OKC

“ My thoughts and prayers are with Mark and the children, grandchildren and other family. It has been many years since we have been in touch but I am saddened by Danette's passing. Both she and Mark are friends from childhood and we remained close friends when our children babies. I have wonderful memories from childhood and our days in Stillwater. I will always cherish those times. May your many memories bring you peace.
