“ *I've know Dan for many years and I could not think of anything I didn't like about him. His smile would lit up a room. And I've never hear him say a bad word about anyone. He always have me a hug that would bring a smile to my face. Dan I'm going to miss you some much. I see you on the other side. Tell Webb hello for me. Until we meet again Rest in Peace. Send prayers to the family. Goodbye old friend.*
