“ I worked with Danny at Ponca City Energy for several years up until he retired. He always had a story and a smile on his face. He was a joy to be around and full of orneriness keeping us all laughing. Danny was honored for his military service he gave to our country. He truly adored his Grandson Bishop and I always enjoyed seeing his face light up as he would talk about him. May the days ahead help us remember Danny as he would want us all to with all the wonderful memories he has left in our hearts. My thoughts and prayers are with you Sally and your family.
