“ Uncle Danny has been part of my life since I can remember. Him, Aunt Barb and my parents toted me all around the US with them on their excursions when I was little. He was my best friend growing up. He always made me feel special and loved. He was always making people laugh and was quick to start up a conversation with anyone. There will never be another person like my Uncle Danny. I love you now and forever.

“ *Danny cared about so many people and tried to help them in any way he could. He was very passionate about what he believed in. He enjoyed life. Vacations and fishing trips were something he could get very excited about. He always livened any group that he was with. The Lord is now enjoying Danny's sense of humor and excitement. I'm comforted that he is no longer in any pain and is eternally happy. I know he will be waiting to welcome his wife and the rock he leaned on, Barb when she goes to join him in heaven.*

*Lovingly,  
His niece, Cheryl*
