

Darren LittleCook

February 26, 1967 - January 24, 2022

On Monday evening, January 24, 2022, at St. Mary's Hospital in Enid, OK, Darren Brent LittleCook transitioned peacefully surrounded by family and friends. Darren was born on February 26, 1967 to Glen Edwin LittleCook and Marilyn Jean (Binkley) Mayhue. Paternal grandparents were Amos and Alice (Giveswater) LittleCook. His maternal grandparents were Lyle and Violet (Kissell) Binkley.

As a child, Darren was kind and gentle; a trait he would carry all his life. Darren never met a stranger. It seemed everyone he met was like a lifelong friend. He was loved by all who knew him. Darren enjoyed sports as a child and played football and basketball for Pioneer High School. As an adult, he played competitive softball, refereed local high school football games, and was an avid fan for all things OU.

After graduation, he attended college. Shortly thereafter he became a welder/fabricator; a profession and a career he would excel in. Along the way his creativity crept into his welding as he created unique pieces of metal art for family and friends. The large police shield that is displayed at the Enid Police Department is a sample of his talent.

Darren met and fell in love with Jo Charlene Miller. They married on June 17, 1994. Darren was a devoted husband and a loving father to daughters Kaylee, Corey and Morgan. He loved his family and spent countless hours coaching his girls in softball. Later on, as a proud grandfather, he enjoyed his

grandchildren Mai, Baker, Orion and Vera.

Darren had a large family that loved and adored him. He was a member of the Ponca Tribe and descended from the Giveswater and LittleCook families. He also had four aunts and numerous cousins on the Binkley side of his family. Darren's large personality and spirit will be missed by all those he left to carry on his memory; His mother Marilyn, wife Charlene, daughters Kaylee & (Carl) Hall, Corey & (Taylon) Rowley, Morgan & (Bailey) Rowley, grandchildren Mai, Baker, Orion, Vera, brothers Chris & (Mindy) LittleCook, LittleBear LittleCook, sisters Donna & (Jeff) Maison, Nicki & (Adam) Vaughn, Tara LittleCook, and numerous Aunts, Uncles, Cousins, Nieces and Nephews.

Services are planned to be held Saturday, February 5th, 2022 at 2:00 p.m. at Anderson-Burriss Funeral Home with Pastor Tim Dorsch officiating. They family requests in lieu of flowers, please consider donating to Pioneer Softball or Pacer Softball.

“ So sorry for y'all's loss. Darren was such a kind hearted person and amazingly talented with a cutting torch to put it mildly. I worked around him at H&P for several years and struggle to remember a time he wasn't cracking a joke and making someone else smile.

“ I bought a Camaro project car for my husband from Darren. I had never met him before, although my sister knew him and that's how we came about buying the car. He was so friendly and funny; made you feel so comfortable and that you had been friends for years. I have also bought one of his amazing signs made out of metal. He had a really impressive talent. My heart goes out to you during this painful time. I pray that God's love bless you and comfort you now and in the days to come.

“ Ah, Darren. I was the Director of Theate at Northern Okla College in a Tonkawa.

He participated in several productions. So sweet-natured but a prankster too! Several of the guys he met in the shows became good college buddies.

He was a special spirit. Very caring and generous. He carved and my husband and I a wooden duck which may not seem such a big thing... but I knew it was gift of love and respect. I cry for him; yet, the memories make me smile even more. Hugs and Christ's love to the family. Dr. Susan Vineyard

“ I met Darren at Northern Oklahoma College. Our dorm rooms were side by side. I never saw him without a smile on his face. I enjoyed playing basketball with him and eating together in the cafeteria. Just an all around great guy! When he walked into a room, his spirit brought a sense of peace and happiness. His presence will be missed. Love You!

“ Darren was always another big brother to me at Pioneer. He was one of my brothers best friends and he would even call me sis. He was so so sweet to me every moment I knew him. He would even let me as a much younger undergrad sit with him at the lunch table nearly every day. Although we haven't talked in years I would always ask my brother about him just so I could know how he was doing. Talk about the best smile and best hugs ever, oh man did he have them. My heart is sad for his family and friends who will miss him so much. Rest In Peace sweet friend. Kim Craig (Moore)
