“ I worked with David at Pool Well Service for a number of years. David could fix anything and lay out the wrenches he needed to make the repairs ahead of time. May the Lord bless you David, until we meet again. You were a special guy.

“ *David and Curtis grew up together. They Graduated in 1964 and went to Okmulgee Tech together. After we were married, David and Diana, and us spent many evenings together. We enjoyed watching their kids grow up and have a lot of fond memories of your family.*
