“ *I have known David since we were 6yrs old. When we were in grade school there was a song on the radio called "Traci". I wanted to buy the "45 record" but I did not have the money. The next time I saw David he had bought the record for me and I still have it today. My best friend lived across the street from the Jenkins family on Oklahoma St. She had three guinea pigs that I was caring for while her family was out of town. When I went to check on them they were dead! I ran and got David and Jerome and they dug a hole in their back yard and buried them for me. Needless to say my friend never asked me again to care for her animals. Many years ago when I reminded him about the incident he remembered what happened and graciously told me, with a smile, that I would never have to worry about caring for any of his family's animals. I always felt that David was the rock for the Stanley Jenkins family because his faith in Christ never waivered. I could not have asked for a better uncle to my children, Laura, Sarah, Michael and Calla. I know he will be dearly missed by his family and those who had the wonderful opportunity to call him Friend! I feel so very blessed to have called him my brother-in-law at one time in my life and so grateful to have known him for so many years. Linda and family know I am praying for all of you. “ David and I were first cousin's and really close friends. David and I had a lot of history together from singing in a gospel quartet together, always including me in his own family get togethers to going head to head at Emmanuel vs. Emmanuel basketball games. He always set a good example for me as a Christ follower, a good husband , father and grandfather and a man with a servant's heart. Mostly what I'm going to miss are our weekly lunches together at a variety of restaurants that offered coupon's ! It will leave a hole in my life, but I know he's loving life in heaven, worshipping our savior and Lord. Well done, thou good and faithful servant !

“ *Sweet Jenkins Family,
We are so deeply saddened to hear about
David. We will never run out of good
memories of this awesome man. His smile,
sincerity, sense of humor, love for others, & of
course Psalty the Singing Songbook are only a few. He will be
deeply missed. But we're so thankful our lives were touched by
David. Praying for you all at this difficult time.*
