

Debra "Deb" Carey Kline

June 1, 1961 - May 4, 2019

I was born, I blinked, I'm Gone! Debbie would want it known that she died as a result of being herself, stubborn, others advice and raising hell for more than five decades. So many things in Debbi's life took on a greater importance as she got older. The memories she is taking with her are so precious. Following her wishes, there will be no service. A gathering will be held at a later date. Although a less than average life span, Debbi did not live an average life. Thank you all for sharing my life with me. From "Okie From Muskogee" to "Philadelphia Freedom", she loved music and Celine Dion. She loved to try and sing like her. Deb, you will be missed by your family. We love you. Well wishes are encouraged, write a note of farewell and share a memory at www.andersonburriss.com.

“ Ann, Patti, Shelby, Dakota, Ella, and other family, I am so sad to hear of your loss. Debbi was a great friend and we went through a lot together (even though in her stubbornness, she wouldn't let me help). She loved her family with all of her heart and her grandkids were the light of her life. My hope is that your special memories of Deb give you comfort when you need it most. I pray for peace for your family.
