“ All my love and prayers to the family. Debbie was the best friend a person could ever ask for. I have know Debbie since the 2nd grade when North Enid schools merged with Carrier. Whenever you saw one Debbie you saw the other Debbie. The memories I have of our friendship will be in my heart forever. Debbie was the maid of honor at our wedding, always smiling. Even though she moved to Kansas if I needed her to talk to or whatever she was there. When David and I celebrated our 40th wedding anniversary Debbie was there. She told me wild horses could not have kept her away. I am so thankful that I was able to go see her a few days before she went to see our heavenly father. We had a great time visiting even though she was not feeling well. Debbie will always be my best friend and the world will seem so much smaller without her but I know that one of these days I will be reunited with her and we can drag the streets of gold in the 1969 Camaro one more time. I love you Debbie.
