“ I first met Deloris when she was dating my Dad, Harrel Fore. I remember he bought her a TV console (it was the 70's) for Christmas. Then they married. Within a year or so, I and my 3 siblings were living with Dad and Deloris. I was about 13, and the youngest was 5 or 6. She went to being the mother of 2 girls to a mother of 5 girls and one little boy. I remember in Jr High, she wanted me to wear something other than jeans to school. She got me a suit! It was chocolate brown; pants, vest, and a jacket.. I was lucky to have her as a 2nd Mom. She went to the funeral of my sister, Patty, and she and my Mom became friends over grief. I will miss her, but am so glad she is whole again, and not suffering. Laura and Cindy, we may be step sisters to some, but to me you are my sisters.

Deloris played my mom in the Pegasys community movie, The Sunset of My Life. I was a junior in high school, and I was very nervous. She was so patient and easy to work with. My mom was a teacher and my dad a principal in the Chisholm School District. They knew her and her children and had assured me that I would love her. They were so right!! It was an incredible experience making that movie, and I will remember it and her forever. My condolences to Deloris' family and friends. We were all blessed to have her in our lives!

I want Laura and Cindy to know what a blessing their mother was to my sister and I when our father was ill in Enid. Having her by our side with all the things we were dealing with at that time. We send our deepest sympathies and will keep you In our prayers.
