“ *My Uncle Denny*

I cannot recall a time when my Uncle Denny wasn't part of my life . All of the adults in our family worked & Grandma Case kept the Case/Scheffe grandchildren in line during the week. So that he was ever present as she cared for us at their home or at my childhood home. Year in and year out during the most formative years of my life.

When I think of him he was always hard at work. Always in his painters overalls .

ALWAYS splashes of paint about him, that always left me to wonder what kind of work he had done that day based on the colors & types of the paint on him . Paint in his hair, on his glasses, overalls and arms.:) All signs if a hard days work. Always smiling & joking.

He was one pillar in the structure of my Case family, Never a holiday or celebration that he wasn't around. Both in happiest of times as well as the saddest of times every family experiences. My thoughts and prayers are with my Aunt Pat, my cousins Shelly & Troy & their families at this time. As well as with his sisters Linda , Willa, Betty, Norma and their families.
