“ My wife and I pray for the Steier family, Nathan, Amber, Linda and Gordon. We give sincere condolences during this time of mourning. May Derick find peace with Jesus and God.

I have known Derick since he was in Boy Scouts with my son Andrew. They were good friends back then. As Derick grew he became more attached to his family whom he loved very much. He helped his friends and family when needed, especially his Dad Gordon; fixing cars, building things, and fixing the house and more. Derick turned out to be a very good man.

“ Derek was my son Cody's best friend. I can not count the number of hours Cody, Devon and Derek spent mechanicing in our garage. He was a special young man and we enjoyed him immensely. May God lift your family in His grace during this difficult time.

“ I was Derek's tutor when he came to the after school program at First Presbyterian Church. He needed a little help with spelling so I challenged him each week. He challenged me to find a fruit or vegetable that he didn't like. Each week I tried. He learned to spell but I never could find a fruit or vegetable he wouldn't eat.
