“ So sorry to hear of Desi's passing. Our family knew her from she and Gary's generosity to the Garfield County 4-H. We looked forward to seeing them at the annual banquet as well as around town. We send prayers and hugs for her family.

“ Desi was a wonderful friend to everyone she encountered. She always entered the room of our OFB Women's Committee with a big smile on her face. She would go around to everyone and speak to them individually. Desi was the first person to volunteer for any project we were working on, no matter what the job required. Desi was one of the first committee members to welcome me to the committee. She will be greatly missed in OFB!
I loved this dear friend!
