“ *First I would like to send my condolences to Lynn and the family. I can't seem to wrap my head around how someone so precious was taken from us way too soon. My favorite memories was when she would stop by the shop and we would sit and talk for hours, poor Lynn would call more than once and she would tell him I'm still talking to my friend. A FRIEND... that's what she was to everyone she met. She was my dear friend I looked forward to our visits. I'm going to miss her so much. Love you Diana*
