“ Dear mom. 3 weeks ago you reached for my hand, and said, good bye I Love
you. As we cried together I said, This is not good bye mom. I'll see you again, It's
just so long for now. I love you mom. And you said ok .So thankful for that time
we shared. You taught me so many values in life. To do my best, and to be kind.
You taught me to love the Lord. I'm very blessed for a great childhood, a home
filled with love. For a mother who tried very hard. Even when there were many
struggles, you did your best. You always made the best of everything. It broke our
hearts to see you go. But now there are no more trials here mom. But what a
joyous reunion there must be in heaven. Go high on that moutain mom and
rejoice. You work here on earth is done. No more pain, no more struggles. Until
we meet again. Tell the family I love and miss them all. Please give my baby boy
Jayson a big hug for me. I miss him so very much mom.
With all my love Linda
