“ Uncle Don was such a God loving man, many times during his illness he stated, “ don't know why I'm still here?” I responded that I knew why, that he was the best man of faith I knew-and our family needed him to help us in our journeys! He would always smile and as we would leave ALWAYS pray with us! Most honest, sincere, loving man you could be blessed to know and especially call him family!!! So happy he is with his heavenly family! Love to Sherry and Marsha and all that was honored to be in his presence!
