“ I remember when the McDougal family still lived in Rocky Ford, Donald (probably still a teenager) thought it was "cool" to show his younger cousins how well he could use a bull whip. We definitely were impressed, and a bit frightened, too! Donald, as I remember, was a bit of a tease. Kathie Cherry Woodward

“ At one of our Cherry reunions, Donald gave Mama Cherry a ride on his motorcycle -- guess it was her first. I think he took a great delight in doing this for her, and she really got a kick out of it.

I remember Mama Cherry going for a ride at Nina and Grandpas ranch with my mom, hit her on the back to go faster. (BTW, grandpa didn't like the motorcycles.)

Thank you for sharing!
