“ *Donna Bell was our best friend and neighbor CB coming to our Bible studies weekly in our home. I beleive the last church service she went to was at World Harvest. She ended up loving it and had planned to continue with us. But suddenly became sick. We ate almost every Friday together and enjoyed her humor and wonderful love for people. I'm so happy she is home and well and now sees things as they really are. Donna you are missed and we will see you later.*

“ *Oh Donna, where did the time go? We moved in about 7 years ago and there you were. Always coming over to chit chat, check on us, bring us food, or anything else we needed. You were one of the best neighbor friends we ever had, and you had such a big impact on all of our lives. You were practically part of the family. You will never be forgotten Donna, your love, kindness, and braveness have all left an impact on all of us. Heaven gained a really special angel.*

“ *Donna, I'm sad today and I will miss you so much. I know you are happy being with Jesus. I will miss our phone calls every day. We also had so much fun on our bus trips. I will see you again someday.*
